## **Kiwanis leaves Sensational St. Lucia on a "HIGH" note!**

Dear Kiwanians,

If there ever was a time to celebrate being in Kiwanis, it is now! Over 100 members, partners and guests, the biggest gathering of Kiwanis at a Midyear Leadership Conference in many years got together to get some business done. The mood was upbeat, positive and very contagious. On Thursday morning prior to the "Midyear" Conference, I had the pleasure of doing the local and national media circuit in Castries. Suddenly, the people of St. Lucia awoke to the message that Kiwanis was in town. To give you a good idea of what was accomplished at this year's Midyear Conference, here are the highlights:

\* A new partnership between Kiwanis EC&C and Unicef has been approved and will be rolled out in the near future. The campaign will assist children affected by Aids

\* A new and exciting Friends of Kiwanis opportunity was approved and will be launched later this year across the District

**The Kiwanis Club of Lakeshore**  
**P.O. Box 23027 - RPO STATION MALL**  
**SAULT STE. MARIE, ONTARIO, CANADA P6A 6W6**

**The Club meets every Wednesday from 12:15 to 1:30 pm at the Marconi Club in Sault Ste. Marie**

District website: [www.kiwanisecc.org](http://www.kiwanisecc.org)

\* The Board of Trustees approved to wave member fees for those clubs that achieve 25% growth this year (for new members - contact your Lt. Governor for details)

\* Satellite Kiwanis, a new growth initiative will also come to market later this year

\* The partnership with Paul Shaffer of the Late Show with David Letterman was presented to the Board. The campaign is designed to heighten the profile of Kiwanis in Canada and to achieve greater support for our Kiwanis Music Festivals

\* An interactive and results orientated strategic planning workshop was well attended and received by all participants.

\* The NEW Kingston Convention Team made a presentation to invite all Kiwanians to attend this year's District Convention in Jamaica - Come feel the rhythm

\* A number of new policies were adopted to improve our organization's operations

\* The District will be testing a new Electronic Reporting system designed by Kiwanis International to be fully implemented across the District on October 1st

\* Divisional Caucus meetings were also held and well attended by the delegation

\* The local Kiwanians from St. Lucia joined other members in a Kiwanis education and training session in Castries

\* A new division will be formed from the Clubs in Guadeloupe

And finally, I'd be remised if I didn't mention one other special highlight from the conference. This year's Class President, Patrick Charlebois and his long time best friend, France were married during a beautiful ceremony overlooking the ocean. Congratulations to both of you and thank you for allowing us to be a part of your special day.

As you can see, a lot of work was done at this year's Midyear Conference. It was truly a success. I would like to encourage you to attend a District event this year or in the near future and to get involved with the many exciting things that are happening in our organization. I personally would like to thank everyone who helped make this year's Midyear Conference a resounding success.

See you in Kingston at this year's District Convention!

Yours in Kiwanis,

Governor Ed Kelly
